

Found Object Faces

For this project you will need:

- paper
 - marker
 - found objects
1. Gather random, found objects from around your home.
 2. Draw a big circle on a piece of paper (or you could draw it outside with sidewalk chalk!).
 3. Place your objects inside the circle to create a face. Play with shape and form to create different expressions.
 4. Can you make a self-portrait?!

This creative project is brought to you by teaching artist Katie Ryan.
